ARTIST TO GIVE "GALLERY TALK" ON THURSDAY

"At this point in my life I feel no debt of explanation about my work. Perhaps that in itself is the only true quality of an artist and his art." Hear artist MIKE HUFFMAN talk about the paintings and drawings in an exhibition of his new work which opened on Sunday, January 15. Huffman will discuss the work in an informal "Gallery Talk" on Thursday, January 19 at noon in Reed Hall Room 160. Huffman is the Art Coordinator for the Lima Public School System. He received a Bachelor of Fine Arts, a Master of Arts and a Master of Fine Arts degrees from Bowling Green State University and a Bachelor of Art Education from The Ohio State University. Huffman's work has been seen in many local and area shows and his work hangs in several private collections. The show will continue through February 5. Stop by Reed Hall 160 and see this colorful exhibition.

BOWL FOR A CHILD'S SAKE

Ask your friends, relatives, coworkers, and classmates! Get a team of five bowlers together and bowl one game for the BIG BROTHERS/BIG SISTERS BOWLATHON on Sunday, February 26 at Northland and Westgate Lanes. Pick up an entry form in the Student Activities office (GA066.) You may select your alley and time preference on the entry sheet and preferences will be filled on a first-come, first-serve basis. All funds collected will benefit the BIG BROTHERS/BIG SISTERS organization of Allen County. They provide one-to-one friendships between an adult volunteer and a child in need.

SINGERS WANTED

Do you love to sing? It is a great way to reduce stress and a pleasant change of pace from your daily routine. The Lima Civic Chorus invites you to join them as they prepare for a Spring Choral Concert scheduled for Sunday April 2 at 3:00 pm., in Lima's Trinity Methodist Church. All voice parts are welcome, but there is a particular need for altos, tenors and basses. Music reading ability should be average. Rehearsals are each Tuesday evening from 7:30-9:30 pm. Dr. Richard Mallonee of the Ohio State University-Lima music faculty has been named the interim director of the group.
